

ANOTHER LARGE JACKPOT HITS AT SAN DIEGO'S FAVORITE CASINO

A Winning Summer Continues at Valley View Casino & Hotel

VALLEY CENTER, CA – AUGUST 12, 2016 – Guests at Valley View Casino & Hotel are continuing the casino's big summer winning streak with another guest hitting it big on July 17. Gary T. from Carlsbad, CA came for a day of fun with friends and left with full pockets after a progressive jackpot paid \$68,088.84. This comes just weeks after progressive jackpots of \$125,195.73 and \$564,562.05 were awarded to two other loyal Valley View players.

Gary, a San Diego resident for over four decades, has been visiting Valley View for several years and recently made it his favorite casino. Excited for a day of upscale dining, Gary and some friends were visiting with a dining credit for Black&Blue Steakhouse that Gary earned as a reward for using his Players Club card. After finishing off the gourmet meal, he hit the gaming floor to play one of his favorite progressive machines. He regularly looked at the large progressive jackpot amount displayed above the Monte Carlo machine, and only dreamed that it could be his. After playing just \$20 on the \$1 machine, that dream started becoming a reality as he began hitting a progressive jackpot. On this particular machine, bells chime as the three icons on the reels line up during the progressive bonus round. Gary had sometimes heard one or two bells, but today was different.

"I heard that third bell ring and my heart just stopped," said Gary. "I was in disbelief - I had never won anything that large. All these people ran over and everyone around me was screaming. I was just laughing and thinking 'I hit the big one!' I'm pretty lucky on most of the machines at Valley View – that's why I keep coming back. They say they have the loosest slots and it's true."

For the past few months, Gary has made Valley View his regular entertainment destination, coming weekly to enjoy the award-winning Buffet then try his luck on the slots. He plans to use his big winnings to remodel his master bathroom – and set a little aside for future slot play, noting that he feels happy and blessed to be able to enjoy it.

"The whole reason I come [to Valley View Casino] is to have a good time. It's always very exciting from the minute they open the door for you. It's not like the chain casinos – I don't like the way they're treating their customers," said Gary. "Valley View's atmosphere is like the feel of being in Las Vegas, but it's local. I do believe you can't come into the casino without having fun. It's a great hidden gem."

With millions of dollars in jackpots awarded every month, Valley View Casino & Hotel has solidified its reputation as San Diego's luckiest casino for slot and table game players. The team members at Valley View feel the luck too.

"Our team members here at Valley View really like to celebrate our guests' good fortune," said Randy Reedy, Vice President of Slot Operations and Promotions at Valley View Casino & Hotel. "Everything we do every day is for our guests and there is nothing more rewarding than seeing their faces light up when they hit those big jackpots. Congratulations to Gary and all of this month's lucky winners on behalf of our Slot team and all 900 teammates of ours here at Valley View Casino & Hotel."
